

Waikanae Gymnastic Club

Newsletter – Term 1, 2017

We hope that all our gym members have settled into their sessions, are having lots of fun and learning, and are keen for Term 2.

Holiday Programme – We are running two holiday programmes, on both Wednesdays, 19th April and 26th April, of the school holidays. The first timeslot of 10am-12noon is aimed at children aged between 5-9 years. The second timeslot of 1.30pm-3.30pm is aimed at children aged between 10-13 years. Cost is \$12 per child. Please contact waikanaegym@gmail.com to book your child in. Spaces are filling up fast and bookings are ESSENTIAL.

Reminders for Term 2

All sessions start in the **SECOND** week of Term, so the start dates for Term 2 are Monday, 8th May - Wednesday, 10th May - Thursday, 11th May. We reserve the first week of Term for coach training.

Committee News

- Our website is under re-construction.
- All outstanding fees need to be paid before the end of the school holidays to retain your child's space in a session.
- If anyone has any spare bike shorts or leggings and would like to donate them to the Club, they would be gratefully received.

Parent Reminders

Recently we had to cover the cost of a light fitting that was broken by a gymnast's sibling who was playing in the hallway with a ball so we would be very grateful if you would supervise siblings at all times. This also includes not allowing them to play on equipment before or at the end of sessions.

Please have your child/children at gym on time so that they are able to join in the all important warm-up activity and teaching for the day.

Our Coaches

All of our coaches are volunteers and put a lot of time and energy into planning and running sessions. If you think you can help them at sessions, or packing up equipment - they would be very happy. We need to pack away all equipment on Mondays at 6.30pm and Thursdays at 6.30pm and all help would be appreciated.

Our Coaches look forward to seeing your children again in Term 2. If you have any questions or concerns about your child's session, please feel free to discuss these with your child's coach, or please contact our Administrator at waikanaegym@gmail.com and she will direct your question/concern to the appropriate person. We also welcome your feedback anytime.
